**Origin:** This territory was granted by the Massachusetts government in 1735 as Number 1 to settlers from Amesbury who called it New Amesbury. The Masonian Proprietors regranted the territory in 1749 to new settlers who were mostly from Rye, including Richard Jenness. The settlement was called Jenness-town or Ryetown. The territory was granted again in 1767 to Jonathan Barnard and others, who wished to name the town Amesbury. In 1774 Governor John Wentworth incorporated the town in honor of a friend and a member of his council, Jonathan Warner. This was one of the last towns to be established under English rule.
